EMPHASIS ON ORGANIC PEST MANAGEMENT

Gain the knowledge and experience you need to manage pests using ecologically-based methods on your own farm! You are invited to participate in an upcoming Integrated Pest Management (IPM) workshop / field day led by:

- **Dr. Jaime Piñero**, Lincoln University (LU) IPM Specialist
- **Dr. Zelalem Mersha**, LU Plant Pathology Specialist
- **Mr. Patrick Byers**, MU Regional Horticulture Specialist
- **Mr. Jacob Wilson**, LU IPM Extension Associate

This **FREE** workshop and field day will demonstrate sustainable IPM approaches such as augmentative biological control, trap cropping, and cover crops.
